Bilal Arslan

Senior Developer at Pointsharp

Farum, Capital Region of Denmark, Denmark

Summary

I am a software developer who combines dedication and discipline in my work, a practice that has contributed to my successful career. Balancing work and personal responsibilities, I have honed a strong sense of duty and organization. My career has been characterized by a willingness to embrace challenges and a commitment to seeing them through.

Education:

- Master's Degree in Computer Science, specialised in Digital Media Engineering

- Focus: Development of digital games, with an emphasis on applying software engineering principles in the gaming domain.

- Bachelor's Degree in Software Technology

- Focus: Broad range of software development techniques.

- Programming Skills: Adaptability in various programming languages, backed by a solid understanding of core programming principles.
